

## City of Fremont Curbside Trash / Recycling Service Questions

### What are my choices for recycling and trash service? How much will it cost?

EFFECTIVE OCTOBER 1, 2016...

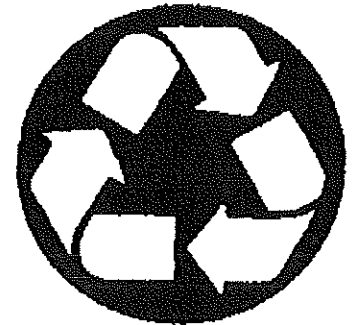

- 95 gallon trash toter + 65 gallon recycling toter = \$17.60 per month
- 65 gallon trash toter + 65 gallon recycling toter = \$17.60 per month
- 30 gallon trash bag + 65 gallon recycling toter = \$4.25 per trash bag  
(no additional charge for recycling toter)

### When does the new recycling cart service begin?

October 1, 2016

### Will every person get a recycling cart?

Yes, every resident will receive a cart, even those who are using the bag option

### Do I get a choice on what size of recycling cart I receive?

No. All recycling carts will be 65 gallon in size.

### Will the recycling carts look different from the trash cart?

Yes. The recycling carts will have a light blue lid and the trash cans will have a dark blue lid.

### How will bulky items like couches and refrigerators be handled?

Residents will still buy a sticker for \$15.00 at the same locations where bags are purchased. The stickers will come with instruction for how to schedule the pickup of the item.

**Will the day I get serviced change under the new contract?**

No. The day you are serviced will remain the same

**Where can I buy bags?**

Chud's, Kroger's and Crossroads Friendship store at Cole and Tiffin Road.

**Will business and industry in Fremont have to make changes to their service?**

No. The contract is for residential service only including one to two family residences, single family homes and duplexes. Business, industry and apartment buildings of 3 units or more can continue to use their current hauler.

**Will there be a bag option like what I am using now?**

Yes. Residents who produce a small amount of waste can purchase bags at select locations around the city. The bags will be \$4.25 per bag.

**Will we have to sort our recycling?**

No. The material can be mixed together in the recycling toter.

**What materials will be accepted in the recycling toter?**

There will be a sticker on the recycling toter that will describe what materials are acceptable or unacceptable. Republics Services will also send out a mailer with instructions on how to prepare your material.

**Can I look at the different sizes of containers that will be available?**

Yes. The city will have a few locations where you can see the size of the containers.

**Can I use another hauler to pick my trash?**

No. Republic Services is the only hauler under our contract, that can service one and two family residential units in the city of Fremont.

**How will we be billed for this service?**

Residents will continue to receive a bill from Republic Services

**What if I need an additional recycling or trash cart?**

Residents can get an additional cart for \$6.50 per month

**How long will the contract last?**

Republic Services was awarded a 5 year contract. There is an additional 3 year option after the 5 years has been completed

**Will residents get more information on the program?**

Republic Services will send out a mailer in early September that will outline more details about the program including registration information.

**What if I already have a 95 gallon Republic services cart?**

You can keep the cart and Republic will drop off a 65 gallon recycling cart.

**What do I do with my old recycling bin?**

You may keep it or Republic will notify Fremont residents of a time this Fall when they will pick up the bins.

**What number do I call to ask Republic additional questions?**

Fremont residents should contact Republic services directly at 1-800-686-2454.
