

SANDUSKY COUNTY BLOCK WATCH

Application Form

Crime Prevention as each citizen's duty is not a new idea. In the early days of law enforcement, well over a thousand years ago, the peace keeping system encouraged the concept of mutual responsibility. Each individual was responsible not only for his actions, but for those of his neighbors. A citizen observing a crime had the duty to rouse his neighbors and pursue the criminal. Peace was kept, for the most part, not by officials, but by the whole community.

By applying here for a Block Watch number, you are helping the law enforcement departments within Sandusky County protect you and keeping your anonymity at the same time. When you call in to report a crime, no officer will contact you at the time of your call. The Chief of Police, Sheriff or their designee may contact you at a later time.

You can be sure that your information will be protected and not given out to anyone who does not have a need to know.

All addresses are assumed to be in the jurisdiction of Sandusky County.
