

Fremont Police Department Complaint Against Employee

Log Number: _____

You may make a complaint against a police employee for improper conduct. The Fremont Police Department has an established complaint procedure and you may review this policy. Your complaint will be investigated. If your complaint is found justified then appropriate action will be taken in accordance with legal, contractual of City of Fremont Guidelines. The Fremont Police Department may find insufficient evidence for disciplinary action or find the action that took place was justified or there was a misunderstanding of police procedures by the complainant. You will be contacted by the investigating supervisor as to the result of your complaint.
